

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2005 Assembly Bill 344	Assembly Substitute Amendment 2
<i>Memo published: July 19, 2005</i>	<i>Contact: Philip Cardis, Staff Attorney (267-0683)</i>

2005 Assembly Bill 344 relates to operating certain vehicles with a prohibited blood alcohol content and operating while intoxicated (OWI)-related records.

Assembly Substitute Amendment 2

Under **current law**, the Department of Transportation (DOT) maintains a driving record for every person who possesses a driver's license. When DOT receives notice that a person was convicted of an offense relating to operating certain vehicles while intoxicated or operating certain vehicles with a prohibited blood alcohol concentration (OWI-related offense), that information is kept permanently in the person's driving record. Also under current law, when a person commits an OWI-related offense, the court is required to consider the number of previous OWI-related offenses committed by the person to determine the person's penalty.

2003 Wisconsin Act 30 requires DOT to purge the record of a first violation from a driver's record if the person who committed the violation had a blood alcohol concentration between 0.08 and 0.1 at the time of the violation, if the person does not have a commercial driver's license, if the violation was not committed by a person operating a commercial motor vehicle, and if the person does not commit another alcohol-related driving offense during the 10-year period following the violation.

This **substitute amendment** eliminates the requirements that DOT retain or purge certain OWI-related records. Also, the **substitute amendment** forbids courts to count, for purposes of determining a penalty, any OWI-related offense that occurred before January 1, 1989 or within 10 years of another OWI-related offense, so long as the offense does not involve causing serious bodily injury or death to another person or the person has not committed a third OWI-related offense after being suspended, revoked, or convicted of two alcohol-related offenses within a 10-year period and that were committed on or after January 1, 1989.
